Sir.

With reference to your mail and vide reference F No. CO/P/FP/G53/2019, I am herewith enclosing the softcopy of the bond executed as per the given format.

Original copy of the bond was sent by Registered post through consignment no. RN880518561IN dated 21-01-2020.

Please accept and acknowledge the same

Thanking you

Yours faithfully
Dr. Pullela SVVSR Kumar

**To:** HOD CSE; <a href="mailto:pullelark@yahoo.com">pullelark@yahoo.com</a>; Principal **Subject:** Nurturing eco next challenge (TPN 29175)

Dear Dr. Pullela SVVSR Kumar,

The project proposal as per subject shall be considered at the meeting of Technical Advisory Committee for the Mission Eco Next in Solan (HP) for 27-28<sup>th</sup> May 2019 being hosted by Shoolini University of Biotechnology and Management Sciences.

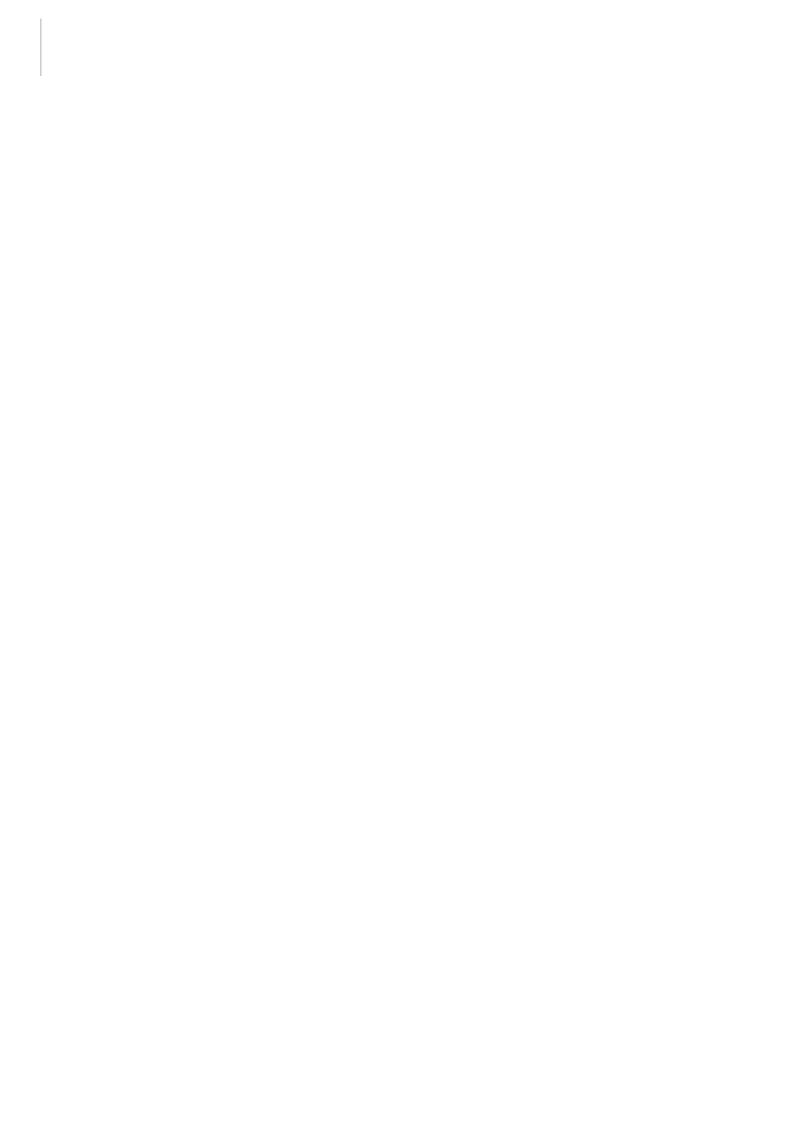

You are requested to make a 15 minutes presentation before the Committee which shall be followed by discussion for 10 minutes.

- 4. Only the project investigator is invited, and NO other person is invited to attend.
- 5. 2<sup>nd</sup> AC Train/Bus Fare would be admissible for attending as per govt. norms. Kindly bring the tickets and receipt for taxi travel, etc. for re-imbursement. Please also bring a photocopy of cheque/cancelled cheque of your bank account for RTGS purposes.
- 6. While local accommodation would be booked upon request, transport from Railway Station would not be arranged so you need to make your own arrangements please.
- 7. Kindly also note the contact details for confirmation (with a copy to us), and further query about venue, accommodation & coordination:

Title of Project: Nurturing eco next challenge.

### 202 Objectives of the project:

- To discover young and innovative eco leaders who indeed can emerge as change makers to develop the community.
- Groom change makers in eco techniques & leadership and handholding them to lead
  the communities.
- Develop cost effective easy to understand learning material on existing eco science solution's to improve their knowledge/intelligence for enhanced quality of sustainable living.
- Build eco educators who drive knowledge clusters for promoting location specific eco innovations & eco solutions.

203 Background & Justification for undertaking the proposed project with respect to goals of NSCTC

**Background:** Andhra Pradesh is one of the most progressive states in the country. But the rapid development is leaving behind the less endowed communities who are loosing their livelihoods faster than development.

This is destroying the livelihoods of the people in the rural communities and making them to leave their homes for small time jobs in the near by places.

With local economy predominantly dependent on agriculture it is important to promote eco technologies and eco living to contain this migration and create their own self sustainable habitat. This requires carefully groomed leaders and change makers who own the community and handhold their eco growth.

**Justification:** The objective of this "Mission Eco Next Initiative" is to create youth leadership and equip them with the knowledge to impact the community for overall development. To fight the raising challenge of un holistic development the only possibility is to fight back with an action plan and there is no better approach than Mission Eco Next i.e Discover - Educate - build leadership.

301 Description of the target area, target group (s) along with their direct & indirect beneficiaries

S. n o	Target Group	Reason for the selection	IMPACT
1	Unemplo yed Rural youth	Majority of educated youth in Andhra Pradesh hail from Agro families - they own cultivable land back at their home towns. Due to bubbled in availability of seats in colleges most of the youth received degrees without skills its needed for them to become employable. In addition to this advancement in technology reduced number of human interference jobs. As a result the educated youth are left with no job and no opportunity to feed themselves.	Direct: 600 Indirect:1200
2	Students (PG/UG)	In today world students are the most under utilized resources. They have bouncing energy but don't have clear direction. through mission eco next they can be developed as change makers	Direct: 500 In direct: 1000
3	SHG women	Andhra Pradesh state has one of the largest network of SHG women. These women are well supported by Government in form of bank linkages, unsecured business credit despite that they are not able to improve their economical status.	Direct: 500 Indirect: 1000

### 302 Methodology: The methodology adapted happens in four crucial steps

- 1) Discovery (Eco talent hunt): The success in achieving the objective depends on discovering the right people. Through Eco talent hunt and eco leads the discovery of the right people happens. Under these initiates youth will be reached out and sensitized to think like eco change makers. After the 1 day program these youth are allowed to submit their action plan towards their commitment to Mission Eco Next. This gives access to fresh ideas and discovery of talented and committed youth. This will bring the hidden talented youth to the limelight.
- 2) Build educators (Eco eureka trainings): Locally feasible eco techniques and technologies are discovered prior to the program and 40 eco educators are trained to impart the skills in the youth. They will be trained to train in eco leadership, eco technology and eco community development. These eco educators emerge as local brand ambassadors to groom the youth towards mission eco next. The educators will also be equipped to bring out the voice of the community. Educators will also be trained in using social media as a tool to promote eco next mission. During the eco eureka training program 40 participants will be trained in day to day

challenges and finding the right techniques of dealing with the change makers whom they will train in the future. Each training module will be lead by the experts who have dealt with these challenges in their lives and evolved solutions.

- 3) Transfer knowledge (Studio Eco next): Enabling the youth by Physical demonstrations, field work, literature and discussions the knowledge transfer is made to the young change makers. By this the change makers are now ready to work with the community. The methodology adapted incorporates different modules that covers various aspects of the eco solutions that will benefit the society and promote ecological way of responding. Every individual module covers the day to day challenges and finding the right paths of dealing with them. Each training module will be lead by the experts who have dealt with these challenges in their lives and evolved solutions.
- 4) Handhold change makers & Assessment: The subject matter experts are linked to the local eco next project so as to identify the right technology and right change that needs to be scientifically incorporated/implemented in the local district. Once these required projects are identified, the skilled change makers methodological follow experts in implementation. These change makers are then handhold to achieve the objectives of the proposal.

The objective fo assessment is not to rank the change makers but to learn from them for further improvement of the program. The assessment is made through a detailed journey where each participant is looked on the commitment level towards community development, critical learning, problem solving and ability to implement their learnings. Young change maker's once discovered through the entire exercise will be groomed through a community leader who will be posted with in their reach. A performance matrix will be used to evaluate their performance this matrix comprises of his influence over the community and the result over the period of 12 months.

**Overall methodologies adapted for the entire program:** The overall summary of the essence in the methodologies adapted are designed having zero exceptions based on a Core Group of Indicators (CGIs) for community based eco-media and Communicating S&T.

Considerations had been taken to ensure eco-design & eco-innovations for effectiveness related to:

	Methodology embraced
Response to communication needs of the target group	Motivated people with leadership skills (change makers) are discovered from the targeted groups and are trained in basics to answer the challenges of the targeted groups. In case of advanced level support a subject matter expert (mentor) is made available over the phone for response. In other cases visits are arranged when it cane be solved over the phone. A Basic SOP document will be developed to ensure a standard practice across the target groups.
Ease of public comprehension	The science communication is made in simplest manner that captures the content and delivers back to the community.
Ease of access and sharing with stakeholders	The SOP is made available in digital format which makes it easier - In addition printed posters are posted at panchayat buildings and images that can viewed on smart phones are been developed for better communication and increasing the reach.
Facilitating & promoting S&T based do-it-yourself eco-techniques/eco-solutions	SOP's are been developed in association with line departments (agriculture, animal husbandry) so as to penetrate the S&T usage in day to day without the need of an expert.
Capturing & evidencing quantitative and qualitative outcomes of promoting community based eco-media, eco-design & eco-innovation	The end of goal of eco-media, eco-design and eco-innovation is to improve the quality of life both socially and economically. Once the economic standards are improved the social standards will be automatically improved. Real life stories will be captured with the help of change makers to understand the change. Matrix is developed to record these changes.

### A) Quantified levels of the challenge undertaken versus the districts selected

S. no	District	Beneficiary	Change makers	Challenges at district level
1	Srikakulam	600	5	Improvement of coffee quality - Development to right collection technique, processing, packaging and marketing techniques (Araku coffee).  *Srikakulam district is one of emerging destination for Indian coffee plantation, however due to lack of understanding towards this trade the local tribals who are the direct beneficiaries are not able to take advantage of the economic opportunity. If successful can directly benefit at least 1000 people
2	Vijayanaga ram	600	5	Cashew nut - development of eco cultivation & harvesting of cashew, eco grading, eco packaging, making it a premium product and Value addition  *Vijayanagaram district is one of the largest producers of cashew nut, however the local workers are not able to capitalize. If this can be solved the collectors can increase earning by 50% more.

In addition the Department of horticulture, AP State Government system will be in supporting the initiative.
2	The beneficiaries in the proposed project proposed location are tribals and economically weaker sections. These target groups have limited access and exposure to science & technology. As a result they have always been disconnected from the main stream. This project aims to bridge the technological gaps and empower them to emerge as successful entrepreneurs.			a premium product and Value addition  3) Holistic organic cultivation from soil level management, improvement of water conservation.	In association with the district administrations the prospective eco farmers, eco entrepreneurs are identified for handholding.  Based on the prospectors of the idea these entrepreneurs are connected with existing development projects in the local districts.

2	Holistic organic cultivation from water management, soil level management to Marketting.					

3	Development of eco techniques for yield enhancement, collection and processing of cashew nut.
4	Financial literacy for a eco living
5	Eco innovation for building responsible citizens.

The following kinds of eco solutions would be encouraged

\*solutions are broadly mentioned covering the sectors. Upon working in field better solutions will be evolved.

### **Eco Talent Hunt**- competitive events on the categories

- Eco innovation for coffee farmers of srikakulam district
- Eco innovation for cashew growers of Vijayanagaram district
- Innovative marketting
- Innovative science communication

Youth will be mobilized across each district and explained about the problems and challenges that are locally faced in the above mentioned topics by the expert and asked to submit their commitment/ideas to improve the situation. These ideas will be carefully evaluated by the experts and innovations will be selected for further support. This program aims to reach 1200 youth across the 2 districts and anticipated 200 submissions.

Organization's experience in the area of science communication- The expected outcome and its utilization: The organization is running educational institutions for 18 years. During this time we have effectively trained 30000+ students who are now working at multiple locations. our students have worked on a small scale in the past with neighboring communities to improve their health, increase blood donation, create awareness on usage of toilet, awareness on voting, measure to improve ground water levels and sought school students pursue career in science and technology. In addition our organization is associated with coffee board, AP horticulture department through which we have lot of understanding toward technology.

S. no	Monitoring Factor	Evaluation attributes	Lesson learning						
1	Reach of eco Rise challenge	Number of participants in eco Rise challenge	It is important toi communicate the message of mission eco next among the public without which the participation is not possible. Low participation from target groups indicate that there is a need to develop simpler mechanisms for effective communication the project message.						
2	Performance of Eco next change makers	Number of villages/targete d groups involved	The performance of the eco change makers depends on lot of factors including the social, political and economics - It is important to learn from the best performers and develop a best practices note sheet which evolves over the time.						
3	Eco entrepreneurs	Number of people pursuing entrepreneurial career	The development of eco entrepreneurs is a clear indication of the success of the proposed project. The more people seeking handholding support and emerging as entrepreneurs is the success of the eco next global initiative.						
4	Eco Farmers	Number of people adapting to eco practices	The development of eco farmers is a clear indication of the success of the proposed project. The more people seeking handholding support and emerging as eco farmers is the success of the eco next global initiative.

# CERTIFICATE FROM THE CO-ORDINATOR(S) OF THE PROJECT

Project Title: Nurturing eco next challenge.

- I/We have gone through and agree to abide by the terms and conditions of the RVPSP/DST grant.
- I/We have not submitted, nor do I/ We intend to submit this, or a similar project proposal, to any other agency for financial or other support.
- I/We have explored and insured that hardware and basic facilities will actually
  be available from our organization as and when required for the purpose of this
  project no financial support under this project will be requested or utilized for
  these items.
- I/We undertake to summit progress report, statements(s) of accounts, utilization certificates etc., periodically and at the end of each financial year.

I/We have enclosed the following materials.

# ENDORSEMENT FROM THE HEAD OF THE PROPOSER AGENCY

Project Title: Nurturing eco next challenge

- 1. Certified that our agency welcomes participation of Dr. Pullela SVVSR KUMAR as the Principal Coordinator and Dr. A Ramesh as the Co-Coordinator project mentioned above. The Co-coordinator will assume responsibility of fruitful completion of the project if the Principal Coordinator is unable to do so (with due intimation to NCSTC, DST.)
- 2. Certified that the hardware, other basic facilities and other administrative support required as per terms and condition of the grant, will be extended to the coordinator(s) throughout the duration of the project.
- 3. Our agency will undertake the financial and other management responsibilities of the project and will ensure compliance with the terms and conditions laid down, in case the project is sanctioned.

**Objective :** To work in challenging environment where my research capabilities with industrial flavor, teaching and administrative abilities can contribute to the organizational growth.

### **Educational Qualifications:**

- ❖ Ph.D. in Computer Science & Engineering (Thesis titled Human Age Classification Using Pattern Trends of Local Binary Pattern on Facial Images) from Acharya Nagarjuna University, Guntur, Andhra Pradesh, India under the guidance of Dr. J.V.R Murthy, Professor of CSE, University College of Engineering, JNT University Kakinada, Kakinada.
- ❖ M.Tech. (Information Technology) from Punjabi University, Patiala, India with First Class with an aggregate of 77%.
- ❖ M.C.A from Andhra University, Waltair, Andhra Pradesh, India with First Class with an aggregate of 64%.
- ❖ B.Sc. (Computer Science) from Andhra University, Waltair, Andhra Pradesh with First class with an aggregate of 64%.

### **Research Papers Published:** (List enclosed)

International Journals - 14 (Includes 6 Scopus Indexed Journals)

International Conferences - 10 (Include 4 IEEE and 3 Springer Proceedings)

National Conferences - 1

#### **Research Experience:**

- Working in the area of Data Mining and Image processing with emphasis on classifications and clustering algorithms for Image and Data Stream Mining.
- Worked on a collaborative project of Jawaharlal Nehru Technological University and TCS BI divisions of Bombay and Hyderabad titled "Centralized Metadata Warehouse" managed by Kamlesh Mashilkar and Hari Devarapalli of TCS and Dr. JVR Murthy of JNTU, Kakinada.

### **Professional Memberships:**

Institute of Electrical and Electronics Engineers : 93361989
 Association for Computing Machinery : 2473921
 Computer Society of India : F8002532
 International Association of Engineers : 163296

#### Reviewer / Editorial Board Member / Session Chair:

- ❖ Acted as a **Session chair** for International Conference on Computational Intelligence and Big Data Analytics (CIBDA-2017) during 15-16, December 2017 held at Visakapatnam conducted by IBCB, Visakapatnam (Recognized as SIRO by DST, Government of India).
- ❖ Acting as a reviewer for an Scopus Indexed Journal Journal of Computer Science, Science Publication and reviewed 2 papers.
- ❖ Acting as an Editor and Reviewer for International Journal of Engineering and Industries(IJEI) http://www.globalcis.org/ijei/home/editors.html.
- ❖ Acting as a reviewer for an Elsevier Journal- Perspectives in Science.
- ❖ Acting as a reviewer for the International Journal of Digital Content Technology and its Applications (JDCTA), Convergence Information Society(CIS), Korea (ISSN: 1975-9339) Scopus Indexed Journal and already reviewed one paper.
- ❖ Acting as a reviewer for International Journal of Electrical and Computer Engineering(IJECE), Institute of Advanced Engineering and Science (Scopus Indexed Journal) and reviewed 2 papers.
- ❖ Acting as a Technical Program Committee Member International Conference on Computational Techniques, Electronics and Mechanical Systems-CTEMS'18, which going to be held during 21 23 December 2018 at K.L.S. Gogte Institute of Technology, Belagavi, Karnataka, India.
- ❖ Acting as a Technical Program/Steering Committee member (TPC/SC), IEEE iC3I 2<sup>nd</sup> International conference on Contemporary Computing and Informatics, going to be held during 10-12 Oct 2018 at Amity University, Gurgaon, India
- ❖ Acting as a Technical Program/Steering Committee member (TPC/SC), International Conference on Intelligent Systems and Wireless Technologies(ICISWT 2018), going to be held during 28-30 June 2018 at Dayananda Sagar University, Bangalore, India
- ❖ Acting as a Technical Program/Steering Committee member (TPC/SC), IEEE Sponsored International conference on Communication, Computing and Internet of Things(IC3IoT 2018), going to be held during 15-17 Feb 2018 at Sri Sai Ram Engineering College, Chennai, India.
- ❖ Acting as a Technical Program/Steering Committee member (TPC/SC) for the IEEE International Conference Applied and Theoretical Computing and Communication Technology (iCATccT 2017), going to held during 21-23 December 2017 at Sri Siddhartha Institute of Technology, Tumkur, India
- ❖ Acted as a Technical Program/Steering Committee member (TPC/SC), 1<sup>st</sup> International Conference on Computing and Communication Technologies for Smart Nation (IC3TSN

- 2017), held during 12-14 October 2017 at G D Goenka University, Gurgaon, Delhi-NCR, India.
- ❖ Acted as a Technical Program/Steering Committee member (TPC/SC), IEEE-International Conference on Big Data Analytics and Computational Intelligence (ICBDACI 2017), held during 23-25 March 2017 at Chirala Engineering College, Chirala, Andhra Pradesh, India.
- ❖ Acted as a Technical Program/Steering Committee member for International Conference on Signal Image Processing Communication &Automation (ICSIPCA 2016) is being organized in JSS Academy of Technical Education(JSSATE), Bengaluru, India, held during December 8-10, 2016.
- ❖ Acted as a Technical Program/Steering Committee member (TPC/SC), IEEE iC3I 2<sup>nd</sup> International conference on Contemporary Computing and Informatics, going to be held during 14-17 Dec 2016 at Amity University, Noida, India
- ❖ Acted as a Technical Program/Steering Committee member (TPC/SC) for the IEEE International Conference Applied and Theoretical Computing and Communication Technology (iCATccT 2016) held during 21-23 July 2016 at SJB Institute of Technology, Bengaluru, India.
- ❖ Acted as a reviewer for the IEEE International Conference Applied and Theoretical Computing and Communication Technology (iCATccT 2015) held during 29-31 Oct'2015 at Bapuji Institute of Engineering and Technology, Davangere, Karnataka, India.
- ❖ Acted as a Program Committee Member & Reviewer for the Springer International Conference on Emerging Trends in Electrical, Communication and IT (ICECIT2015) held during 20-21 Dec'2015 at Srinivasa Ramanujan Institute of Technology Ananthapuramu, Andhra Pradesh, India.

### **Teaching Experience: 18+ years**

- ❖ Working as a Professor and Head of the Department of Computer Science & Engineering, Aditya College of Engineering & Technology, Surampalem from March 2016 (Ratified).
- ❖ Worked as an Associate Professor, Department of Computer Science & Engineering, V.S. Lakshmi Engineering College for Women, Kakinada, East Godavari District, Andhra Pradesh from June'09 to March 2014 to Feb'2016.
- ❖ Worked as an Associate Professor and Head of the Department, Department of Computer Science & Engineering, Chaitanya Institute of Science & Technology, Kakinada, East Godavari District, Andhra Pradesh from July'06 June 09.
- Worked as an Associate Professor in the Department of IT, Godavari Institute of Engineering & Technology, Rajahmundry from June'05 to July'06.
- ❖ Worked as a Lecturer/Assistant Professor in the Department of MCA, SKBR College, Amalapuram, East Godavari District, Andhra Pradesh from Nov'01 to June'05.

- ❖ Worked as an Academic Assistant/Lecturer (Adhoc) in the Department of CSE, JNTU College of Engineering, Kakinada from Feb'01 to Nov'01.
- ❖ Worked as a Lecturer / Assistant Professor in Birla Institute of Technology, Ranchi (Extension Center II, Hyderabad) from Sep'99 to Dec'2000.
- ❖ Worked as an Academic Assistant / Lecturer (Adhoc) in JNTU College of Engineering, Kakinada from Jan'99 to Sep'99..

### **Subjects Taught: (both Graduate and Post graduate Level)**

❖ C & Data structures, Advanced Data Structures, Database Management System, Computer Architecture, Operating System, Software Engineering, Principles of Programming Languages, and Data Warehousing & Mining.

#### **Activities involved:**

#### **Technical:**

- ❖ Coordinated the project "JanaMaitri" with a team of 5 members for Andhra Pradesh Police Department to maintain village information. For this project, we received a letter of appreciation from district police authorities and a memento of appreciation from Director General of Police, Andhra Pradesh.
- ❖ Developed a Website for V. S. Lakshmi Engineering College for Women, Kakinada www.vslengg.com.
- ❖ Developed a website for JNTU Kakinada with a team of 4 members under the guidance of Dr. JVR Murthy i.e. www.jntukakinada.edu.in, now available as www.jntuk.edu.in/oldsite.

#### **Academic:**

- ❖ Attended Board of Studies for Computer Science & Engineering Department, JNT University Kakinada, Kakinada for R10 and R13 regulations.
- ❖ Acted as a paper setter for various universities (Acharya Nagarjuna University, AdiKavi Nannayya University, K L University, etc.,) and autonomous institutions.
- Attended several seminars/workshops in the area of Image Processing, Data Warehousing & Data Mining.

### **Responsibilities held:**

- ❖ Member of the College Governing Body of Aditya College of Engineering
- ❖ Held the responsibility as a Head of the Department at Chaitanya Institute of Science & Technology, Kakinada and V.S. Lakshmi Engineering College for Women.
- Held the responsibility as Officer In-charge of Examinations, in Chaitanya Institute of Science & Technology, Kakinada.
- Worked as an organizing member for the Diamond Jubilee Celebrations-2005 of JNTU College Engineering, Kakinada.

### Work Shops Attended:-

- 1. Two day workshop on Power Quality & control organized by EEE dept, GIET, Rajahmundry on 29<sup>th</sup> & 30<sup>th</sup>, 2008.
- 2. Two day work shop on "Electro Magnetic Fields and Antennas" organized by Dept of ECE & EEE BVC engineering College, Amalapuram on 8<sup>th</sup> & 9<sup>th</sup> March 2008.
- 3. A two day workshop on recent trends in Electrical engineering (RTEE) organized by K.L.C.E college of Engineering on 25 & 26 November- 2005.
- 4. A two day workshop on "Recent trends in power systems" (RTPS) organized by EEE dept, JNTU college of Engineering Kakinada 14 & 15 December-2005.
- 5. A two weeks ISTE workshop on "Introduction to Research Methodologies" conducted by IIT Bombay under the National Mission on Education through ICT (NME-ICT) hosted by Department of Computer Science & Engineering at Regency Institute of Technology, Yanam.

### Symposium Conducted and Organized:-

- 1. Convener for the National level student symposium spark 2K5 conducted on Nov/2005.
- 2. Convener for the National level student symposium Electrentz 2006, 2007, 2008 respectively.

- 3. More than Six years of experience as head of the dept EEE, Aditya Engineering College.
- 4. Coordinator for National board of accreditation (NBA) for EEE Dept Aditya Engineering College

### Core Strength:-.

- Ability to work in group as well as independently with minimal supervision
- Ability to work hard to complete the responsibilities in time
- Ability to work well under extreme pressure
- Good Communicational and interpersonal skills.

### Membership:-

Life member of Indian Society for Technical Education (ISTE)

### DESCRIPTION OF FACILITIES AVAILABLE

Aditya College of Engineering, Surampalem, Kakinada was established in the year 2008 sponsored by Sarojini Educational Society, Kakinada. It is approved by the AICTE, NewDelhi and affiliated to Jawaharlal Nehru Technological University, Kakinada and recognized under section 2(f) of the UGC Act 1956. It offers six (06) under graduate course in Engineering, B.Tech. in Civil Engineering, Electrical & Electronics Engineering, Mechanical Engineering, Electronics and Communication Engineering, Computer Science & Engineering and Petroleum technology. The college also offers four (4) Post Graduate courses in Engineering- M.Tech. in Embedded Systems, VLSI Design, Power Electronics & Drives and Computer Science Engineering along with Master of Business Administration. The total intake of the college is 912 (B.Tech.- 780 + M.Tech.-72 + MBA-60). The total students on Rolls are 2341. There are 228 faculty out of which 24 members are Doctorates and remaining all are with M.Tech. Qualification.

The college has well equipped labs with audio visual aids. The teaching and learning process is more student-centric and Information and Communications Technology (ICT) is mostly used by the teachers apart from regular chalk and talk. The college has adequate infrastructural facilities for meeting curricular, co-curricular and extra-curricular activities such as well furnished class rooms with a provision for usage of Information and Communications Technology (ICT), seminar halls, laboratories, faculty rooms and other required facilities. The college has Video recording facility to record the special sessions / guest lectures.

The college has spent about Rs. 682.45 lakhs for development of infrastructure for the last five years. The college central library is main source of knowledge which has around 28,334 volumes of books and digital library facility. To improve the employment opportunities of the students it has specialized in providing communication skills and soft skills and promoted extensive usage of ICT material to improve the teaching and learning process.

*Experience* : ♦ Chairman, Aditya Educational Institutions

◆ President and Guide for several Educational Societies

◆ Running morethan 60 Institutions with 60,000+ student strength consisting of a number of Schools, Junior, Degree, P.G., Engineering, Pharmacy, Nursing and Teacher training colleges spread in 5 Districts of Srikakulam, Vizianagaram, Visakhapatnam, East Godavari and West

Godavari Districts.

#### Leader for a Team of Educationists

- Ex. Executive Council Member, Andhra University, Visakhapatnam
- ◆ Elected as Member of Legislative Council in 2007 for East & West Godavari Districts Teachers Constituency (2007-09)
- ◆ Elected as MLA from Anaparthy Constituency (159), East Godavari District, A.P. in 2009-14.

#### **ACADEMIC CAREER:**

Sri Nallamilli Sesha Reddy, S/o. Sathi Reddy, 63 years of age and a native of Kuthkuluru Village, Anaparthi Mandal of Anaparthi Constituency belongs to a family of agriculturists and he is a Post Graduate in Economics with LLB and B.L.I.Sc. Qualification. He established his identity as a Lecturer in different colleges at Rajahmundry and Kakinada. As a faculty member, he identified, that even the intelligent students were not able to reach their goal inspite of hardwork because of lack of proper guidance, relevant prepared material and targeted coaching.

#### ADITYA COLLEGE OF COMPETITIVE EXAMINATIONS:

To overcome to bottle-neck he established a coaching centre in the name and style of "Aditya College of Competitive Examinations". The outcome of the effort reaped rich fruits with a good number of selections in employment oriented competitive examinations (i.e.) Bank, DSC, LIC, SSC and entrance examinations.

#### **ESTABLISHMENT OF ADITYA ACADEMY:**

With an insatiable thirst for setting standards of excellence, he has taken the guidance from like minded intellectuals and established Aditya Academy in 1984 at Kakinada, with a noble objective of all round development of students at every stage of education.

#### **ADITYA'S GROWTH:**

Aditya grew from strength to strength, establishing schools and colleges of every stream and has attained the stature of a premier pioneering Academy with a present student strength of 60,000+ faculty strength of 5000+ in more than 60 institutions stretched in Srikakulam, Vizianagaram, Visakhapatnam, East Godavari and West Godavari Districts.

#### **DEDICATED CONTRIBUTION:**

His hard work, with a busy schedule of 16 hours a day, has moulded him not only as a disciplinarian but as a humanitarian also. Everlasting patience has earned him name and fame as a good administrator. His excellent organisational ability coupled with effective co-ordination is the root cause for the success of the organisation. His smiling countenance, soft spoken nature, pleasing manners and patient hearing delivered excellent results.

#### **MISSION & VISION:**

As an educationist, his exclusive vision is to concentrate on imparting qualitative knowledge to the students and to empower them to face the future challenges with confidence in the competitive world. He is constantly making a sincere, dedicated uncompromising effort to shape the students as ready to take off into life with a corporate placement in Campus interviews. He is on the path of achieving cent percent placements to the students of Aditya and he is nearer to his destination. A.P.State Government, Corporate Companies like Wipro, Tech Mahindra, TCS, Infosys adjudged Aditya as the best institution, which can meet their requirement of man-power with adequate number of mentally nourished aspirants who are excellently trained to meet their needs.

#### **ELECTION AS MLC OF TEACHERS CONSTITUENCY:**

With the close affinity established with faculty wing for over a stretch of two decades, he has made a successful entry in Legislative Council, representing East and West Godavari Districts Teacher's Constituency. His constructive planning, organisational net-work, effective Co-ordination delivered excellent results in the election. His virgin entry in Public Life brought him a thumping victory, which is a milestone in his career and he is singled out as the only person in educational field for getting an entry into the Council though he is neither a Government Teacher nor a member of UTF.

#### WIDENING OF HIS SPHERE OF ACTIVITY:

Though Sesha Reddy represents Teachers Constituency, he has not confined his activity to that community exclusively. His urge to serve the society at large prompted him to widen the area of his Social Service activities to the down trodden, by extending the gamut of operations. To extend his dedicated service to his native village of Kutukuluru belonging to Anaparthi Constituency as a token of gratitude for his Motherland, he decided to contestants MLA.

#### SERVICE TO THE SOCIETY:

Summarising his intrinsic ethical values, like social standing honesty, organised man-power, devoted performance and a thirst to serve the society for alleviation of the living conditions of the masses, he was elected for Anaparthi Assembly Constituency by the electorate with a massive mandate. In the elections conducted for A.P. State Legislative Assembly-2009, he was elected as MLA from

159-Anaparthi constituency with a highest margin of 36,500 votes which is a record in Coastal Districts and 4th highest majority in the state. During the period of tenure as MLA he served for overall development of the constituency, while maintaining a clean image. Not only himself the cadre rank and file are unblemished without any stigma of corruption.

#### DEVELOPMENT WORKS TAKEN-UP IN THE CONSTITUENCY:

- 1) Rs. 20 Crores for Rangampeta Drinking Water Scheme.
- 2) Rs. 10 Crores for Pedapudi Mandal Drinking Water Scheme.
- 3) Rs. 10 Crores for widening of road from Balabhadrapuam Rajanagaram.

[See rule 6G(1)(a)]

Audit report under section 44AB of the Income-tax Act, 1961, in a case where the accounts of the business or profession of a person have been audited under any other law

- 1. I report that the statutory audit of M/s Sarojini Educational Society, 2-24-2, Srinagar, Kakinada 533 003, PAN AAOTS 5432 L was conducted by me in pursuance of the provisions of the Societies Registration Act, 1860, and I annex hereto a copy of my audit report dated 29-Sep-2016 along with a copy of each of :-
  - (a) the audited Profit and loss account for the period beginning from 01-Apr-2015 to ending on 31-Mar-2016.
  - (b) the audited balance sheet as at 31-Mar-2016; and
  - (c) documents declared by the said Act to be part of, or annexed to, the profit & loss account and balance sheet.
- 2. The statement of particulars required to be furnished under section 44AB is annexed herewith in Form No. 3CD.
- 3. In my opinion and to the best of my information and according to examination of books of account including other relevant documents and explanations given to me, the particulars given in the said Form No. 3CD are true and correct subject to the following observations/qualifications, if any:
  - 1 Accounts have been prepared on historical cost basis and on accounting principles of a going concern.
  - 2 Fixed Assets are shown in the balance sheet at cost less depreciation.
  - 3 Depreciation on Fixed Assets is provided on WDV of the assets and as per the rates prescribed in the Income Tax Rules.
  - 4 Mercantile System of Accounting has been followed.
  - 5 I have not physically verified cash balance, closing stock and fixed assets. However, I have relied on a certificate given by the assessee about their correctness and existence.
  - 6 Creditors under Micro, Small and Medium Enterprises Development Act, 2006 are not ascertainable
  - 7 GP ratio is not ascertainable from the financial statements prepared by the assessee.
  - 8 No confirmation of balances received in respect of Loans and advances (Asset), Deposits, Sundry Debtors, Unsecured loans and Sundry Creditors.
  - 9 It is not possible for me/us to verify whether the payments exceeding Rs.20,000 have been made otherwise than by account payee cheque or bank draft, as the necessary evidence is not in the possession of the assessee.
  - 10 It is not possible for me/us to verify whether the loans/deposits accepted or repaid otherwise than by an account payee cheque or bank draft as the necessary information is not in the possession of the assessee.
